To succeed in
your mission,
you must have single
minded devotion to
your goal.

Dr. A. P. J. Abdul Kalam

ABOUT US

The Dr. A. P. J. Abdul Kalam University is located at lush green area on the new Indore – Dewas bypass road. It is about 15 km away from Indore railway station. It has a large campus and one of the best infrastructures in state. All the department heads and faculty members are highly experienced & work with zeal to impart education and achieve the goal of providing excellent career and values to the student so as to become responsible citizen.

The Society (Ayushmati Education and Social Society) was established in 2004 under the flagship of Central India Institute of Technology ever since its inception, a strong commitment to excellence in teaching and research has made the group a role-model and path-setter for other institution. The University supports excellence and innovation in academic programmers, promotes excellence in research, scholarship and teaching. The University is committed to attract and support the best students and faculty, who excel at teaching and research..

OUR VISION

Ensue the footprints of global leaders, escalate the prosperity of the nation in holistic education, research, innovation and economy embedded with traditional values, inseminating knowledge globally in pursuit of sustainable national growth having at the epicenter 'the Excellency' in all fields of education.

OUR MISSION

Knowledge creation by engaging in cutting-edge research and to promote academic growth based on an informed perception of regional, Indian and global needs to develop human potential with skills to its fullest extent so that intellectually capable future leaders can emerge in a range of profession. "To impart to value added education of global standards to help the student work for competitive excellence and financial freedom."

One Best Book Is equal
to hundred good friends
but one good friend is
equal to a library .

Dr. A. P. J. Abdul Kalam

CHANCELLOR MESSAGE

The Dr. A.P.J. Abdul Kalam University has been launched with a vision to transform its students into competent, inspired and responsible professionals. The University has mission to provide quality education in most of the disciplines of Engineering, Applied Science, Management, Health sciences, Education, Law and Humanities & Social Sciences up to the Post-graduate level including M.Phil and Ph.D. The University aims to produce talented professionals with higher education and skill to serve mankind. I have always dreamt of empowering the society with enlightened, skillful, and socially relevant citizens, which can be possible only by educating the masses. I extend my best wishes to all the aspirants and assure that under the of dedicated faculty of this prestigious university they shall be able to take full advantage of opportunities offered to them.

Dr. Shruti Kumari
Chancellor

VICE CHANCELLOR MESSAGE

Dr. Sandeep M. Salodkar
Vice Chancellor

Progressively evolving globalised community and the dynamic nature of contemporary competitive environment requires competent professionals who are capable of challenging the status quo. The demand is for shift in the role of educational institution from centre of knowledge creation to an effective medium of knowledge application, research extension and skill development.

We prepare our students in such a way that they are industry ready from day one. Workshops, training sessions, seminars, expert lectures and industry visits will be organized by us very effectively in order to give a real industry exposure to the students including student exchange program from India and abroad. We prepare our students in such a way that they are industry ready from day one.

At our university we are committed to provide our students a quality education and aliveness and edify from the eclipse of illiteracy by providing more eventualities for unfulfilled dreams.

MESSAGE

ADMINISTRATION

ADMINISTRATION

Dr. Deepika Pathak
Pro Vice Chancellor

Here you will discover numerous opportunities offered at our University in areas of Engineering, Pharmacy, Management and research. Our Group characterized by its strength in science, engineering, pharmacy and management education. Together it provides an all round personality development with an emphasis on intensive and effective interface between institute and industry. The focus on industry integrated research and problem solving pedagogy will help students in direct response to the demands placed on future young professionals.

We prepare our students in such a way that they are industry ready from day one. Workshops, training sessions, seminars, expert lectures and industry visits will be organized by us very effectively in order to give a real industry exposure to the students including student exchange program from India and abroad.

Mr. Rakesh Kumar Jatav
Registrar

Mr. Gulshan Kapoor
Joint Exam Controller

Progressively evolving globalised community and the dynamic nature of contemporary competitive environment requires competent professionals who are capable of challenging the status quo. At our university we are committed to provide our students a quality education and aliveness and edify from the eclipse of illiteracy by providing more eventualities for unfulfilled dreams.

ADMINISTRATION

Mr. Sheetesh Sad
Deputy Registrar (Academic)

I takes care of the academics and curriculum aspects of the college. They are in charge of setting the curriculum for the various programs. This includes doing research on the latest syllabi followed in top global universities and adapting the curriculum for our University.

It is indeed a matter of great satisfaction to invite you, on behalf of all us here at the University, to enroll yourself in any Program of Study of your choice at the University. Should you have any further clarification, please feel free to contact us. May we take this opportunity to wish you success in all your academic endeavours.

Mr. Sanjay S Bhadoria
Deputy Registrar (Admin.)

Mr. Rahul Mishra
Exam Controller

This ancient teaching holds relevance even today. I take this opportunity to convey my best wishes to all students appearing in various forthcoming examinations of this academic session. Remember that procuring the degree is a race, but don't worry about crossing the finish line first. This race is less about reaching fast and more about understanding HOW and WHY you reached the finish line.

Great dreams of great
Dreamers are Always
Transcended.

Dr. A. P. J. Abdul Kalam

COLLEGE OF ENGINEERING

Dr. Dhanraj Verma
Principal- COE

Dear Student,

I, on behalf of COE take great pride in welcoming you to our campus. We believe in fostering a climate that encourages learning and personal growth. We value a commitment to excellence in all we do. This is the place where you can find the college of your dreams. The aim of education is to teach us how to think, than what to think, improve our mind, think for ourselves, and not just fill our brains. Education makes a man a right thinker and a correct decision maker.

ENGINEERING PROGRAMS

Mechanical Engineering

The objective of the undergraduate and postgraduate program of Mechanical Engineering is to provide the opportunity for the students to develop a firm foundation in mathematics, science, and design methodology applied to the disciplines of mechanical engineering.

Electrical & Electronics Engineering

The mission of the Department of Electrical Engineering is to offer an EE undergraduate and postgraduate program that augments the liberal education expected of all Indus undergraduates and imparts a basic understanding of Electrical and Electronics engineering built on a foundation of physical science, mathematics, computing, and technology.

Electronics & Communication Engineering

To provide training in electronics and communication engineering for undergraduate and postgraduate who wish to augment their analytical skills and knowledge of communication systems Electronics devices, software engineering, data communications and digital electronics.

Computer Science & Engineering/ IT

Job prospects will be excellent, as computer software engineers are expected to be among the fastest-growing occupations. Employment growth will result as businesses and other organizations adopt and integrate new technologies and seek to maximize the efficiency of their computer systems.

Civil Engineering

Our objective to provide value based education in engineering technology and management. Inculcate dedication, hard work, sincerity and ethics in building up the overall professional personality of our students and faculty.

MANAGEMENT & COMPUTER APPLICATION

MANAGEMENT

MBA Program

The Master of Business Administration (MBA) is an internationally-recognized degree designed to develop the skills required for careers in business and management. The value of the MBA, however, is not limited strictly to the business world. An MBA can also be useful for those pursuing a managerial career in the public sector, government, private industry, and other areas.

Through the MBA programs, students can pursue business education and learn skills that will help them pursue various management and administrative roles within a company. Employers may seek business administration graduates for a broad range of positions in different areas.

MCA Program

This course aims at fulfilling the industry's growing need for the competent software professionals. The course content is a perfect blend of computer science, computer oriented mathematics and management science. The sixth semester of MCA is exclusively dedicated for industrial project work. Along with the theoretical inputs, emphasis is given on the practical training to facilitate the students to work in a simulated environment.

Eminent IT Professionals and Academicians deliver lectures in guest lecture sessions and seminars are also held on the present status and scenario of the IT world.

COLLEGE OF PROFESSIONAL STUDIES

Dr. Rakesh Chouhan
Principal - COPS

PRINCIPAL'S MESSAGE :

It is the matter of great pleasure and pride for me to welcome our new students. Since you are going to be part of this prestigious educational institution it would be our endeavor to avail every opportunity to give a glimpse of the growth and achievements of the academic, social, sports activities to our day to day life in the institution. I am sure that you would agree that an educational institution should be judged by the improvement in the academic performance its students achieve from incoming to outgoing level. We have high class infrastructure with well equipped Computer/IT Laboratories, Class Rooms, Auditorium, Seminar Hall, modernized Library, Sports and NSS. We are proud of strong team of meticulously trained, dedicated and committed faculty and staff and most advanced teaching aids. Our College has been a hub of many activities of excellence and achievements both by students and staff..

PRACTICAL LABS

AGRICULTURE

AGRICULTURE PRACTICAL ON FIELD / LABS

DEPARTMENT OF LAW

Courses Name: - LLB, BA LLB

The main object of Legal education is to impart the knowledge of Law and the technique of its interpretation, development and application while the object of postgraduate study in law is to promote legal scholarship which will undertake a continuing critical assessment of the legal system relating to social policy so as to fulfill the needs, demands and claims of the Society under changed circumstances. Law is used as an important instrument of social change. Therefore, there is need of legal scholars who shall interpret law to society and society to law to facilitate the interaction between law and social change. Legal Education ought to impart an insight into the social purposes of law so that the Lawyers, the Judges and the Legislators will be able to play a more constructive role in using law as an instrument of social change.

The course is dedicated to nurturing students into leadership inculcating in them the intellectual and ethical values that will mould them into socially responsible professionals, proficient in the dynamic domain of Law. Legal education is increasingly becoming multidimensional as it requires not only procedural skill but deep understanding in various epistemologies.

Dr. Arun K Gupta
Principal - SOP

It is a privilege to be the Principal of School of Pharmacy (SOP) and lead such a dedicated and committed team of teachers and learners. The continued partnership with the college, parents and community will ensure our students are afforded every opportunity as they reach their potential and become successful, responsible citizens. We are proud of our record of academic, sporting and cultural successes but will always continue to improve.

INSTITUTE OF PHARMACY

- B. Pharma
- M. Pharma (Pharmaceutics)

Dr. Revathi A Gupta
Principal - IOP

It gives me an immense pleasure and delight to pen my message for the Institute of Pharmacy which is committed to impart quality education. Our objective is to produce professionally competent and technically highly skilled health care professionals. The world is changing very fast with globalization. In this changing scenario, the onus lies on us to produce a highly qualified & competent industrial/clinical pharmacist having professional honesty and integrity.

Excellence is
A Continuous Process
& Not an Accident.

Dr. A. P. J. Abdul Kalam

LABORATORIES

LABORATORIES

R.N. KAPOOR MEMORIAL HOMOEOPATHIC HOSPITAL & MEDICAL COLLEGE

DR. MAHENDRA SINGH CHOUHAN
(Principal)

R.N. Kapoor Memorial Homoeopathic Hospital & Medical College, Indore is established by one of the pioneer educational society "Ayushmati Education & Social Society" Bhopal (M.P.) Hon'ble Chairman Mrs. Janak Kapoor and Board of Directors of the society are committed to provide quality Medical education & treatment to the people at large through the society. This Homoeopathic Medical College is situated near Arandia, Indore, which is pollution free and lush green area of the Indore city. The college building is well designed and accommodated well equipped Hospital. The college hospital is provided with necessary departments like O.P.D.s, I.P.D. wards, Labour room, well equipped Operation Theater, Recovery Room, X-Ray unit, Clinical Pathology Laboratory, Physiotherapy, Yoga & Rehabilitation facilities. The college is having excellent infrastructural facilities as specified by the norms of the Central Council of Homoeopathy, New Delhi. The college is having spacious and well equipped Laboratories, Dissection Hall, Class rooms, Seminar Hall with audio visual facilities, State of Art Library is provided, with separate reading halls for staff & students.

HOMOEOPATHIC

COLLEGE OF ARCHITECTURE B.Arch.

Ar. (Prof.) Prakriti Sethi

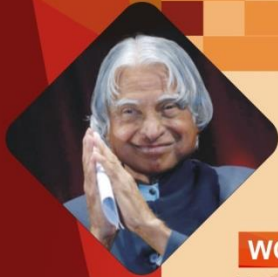

Principal's Message

It gives me great pleasure to write this introduction to the Bachelor of Architecture (B. Arch.). Being an Architect requires a lot more than just academics. It requires self improvement, in all disciplines, like the ability to think, ability to dream, ability to evaluate, ability to visualize, ability to make decisions, ability to communicate effectively, and I could just go on. But the best part is that, these are abilities that can be acquired. And these, when acquired take you to the next level.

It is not just designing; making layouts and getting them sanctioned from local authorities, but is an art of creating spaces: spaces that are built and unbuilt, spaces that create an environment appropriate for the required use. The role of the architect lies, not only planning for a specific activity in a space, but also to make the space interesting, inviting, imposing and comfortable. Creativity and visualization being the prime aspect of the architect, he also needs to have an updated knowledge of how to bring his imagination to physical existence on the earth.

College of Architecture offers a dynamic teaching and learning environment, a well qualified and experienced lecturing team and an educational setting that promotes and rewards learning endeavors.

COMMITTEE DETAILS

ANTI-RAGGING COMMITTEE

Committee has taken steps and allotted duties to all the staff members at almost all areas in the college (i.e. canteen, parking places, different blocks, play grounds etc). Institution shall also constitute a smaller body to be known as the Anti-Ragging Squad to be nominated by the Head of the Institution with such representation as may be considered necessary for maintaining vigil, oversight and patrolling functions and shall remain mobile, alert and active at all times.

WOMEN'S GRIEVANCE REDRESSAL

For this Woman Grievance Redressal Cell is established in the college. The cell is responsible for looking into any complaints filed by students & staff about woman grievances at the college.

STUDENT GRIEVANCE CELL

The function of the cell is to look into the complaints lodged by any student, and judge its merit. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person, or in consultation with the officer in-charge Students' Grievance Cell.

OBC & MINORITY CELL

OBC and Minority cell is committed to provide an environment that support diversity and respects everyone regardless of color, religious belief or cultures and also commits to ensuring protection of everyone including minorities and acting as per the provisions of constitution of India in such matters.

SC & ST GRIEVANCE CELL

The main objective of the cell is to Function as a Grievances Redressal Cell for the grievances of SC/ST students and employees and render them necessary help in solving their academic as well as administrative problems.

NSS

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. NSS established in 2016 at university campus.

Man Needs his
Difficulties
Because they are
necessary
to enjoy success.

Dr. A. P. J. Abdul Kalam

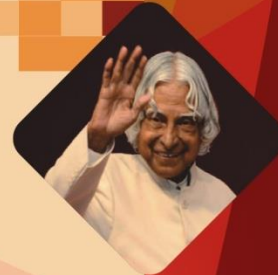

TRAINING AND PLACEMENT CELL

Mr. Anil Mishra
Training & Placement
Officer

Training and Placement Cell is an integral part of the institute. The institute has provided complete infrastructure for effective functioning of the cell. The cell facilitates the process of placement of students besides collaborating with leading organizations and institutes in setting up of internship and training program of students.

The cell keeps on inviting various companies and reputed firms for campus recruitment. It modules the engineering grades to young corporals. The cell is sensitized to function all through the year towards generating placement and training opportunities for the students.

AND MANY MORE.....

Don't Read Success Stories,
You will get only message.

Read failure Stories,
you will get some
ideas to get success..!!

Dr. A. P. J. Abdul Kalam

National Service Scheme (NSS)

FACILITIES

FACILITIES

Library

The Institute Library provides book bank facility in addition to normal library facilities to it's students. The Book Bank consists of more than 20000 Books.

Fully Wi-Fi
Campus

Canteen

The Canteen is aesthetically designed and has a wide range of delicious and nutritious range of eateries prepared under hygienic condition.

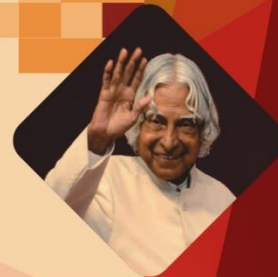

Hostel Facility

FACILITIES

Punjab National Bank

The Branch of Punjab National Bank has operating in the campus of University, Indore. We are happy that this branch has become full fledged unit which of the greatest satisfaction to our college. The Bank is located at the ground floor near gate of the campus.

Radio Popcorn

We have state of art inbound radio station. This allows us to communicate the information to students on real time basis. It serves as a CRS initiative to promote good lively good to adjoining and village areas.

Security

The University provides a team of trained Security Officers, led by the Head of Security and his Deputy. The Security staff undertake a number of duties, working shifts to cover 24 hours a day, 7 days a week, 365 days a year. Responsibilities include CCTV and alarm surveillance, visible patrolling, investigative processes and the provision of security advice throughout the University.

DREAM is not what
you see in sleep
Dream is something
which doesn't let
you **SLEEP**

ADMISSION

ADMISSION

COURSES	DURATION (IN YEAR)	ENTRANCE EXAM	ELIGIBILITY CRITERIA
B.E.	4 year	JEE MAINS	Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology / Technical vocational subject. Obtained at least 45% (40% in case of candidate belonging to reserved category) marks in the above subjects taken together.
B.Pharm/ D.Pharm	4 year for B.Pharm 2 year for D.Pharm	NA	Passed 10+2 examination with Physics and Chemistry as compulsory subjects along with one of the Mathematics /Biotechnology/Biology/Technical vocational subject. Obtained at least 45% (40% in case of candidate belonging to reserved category) marks in the above subjects taken together.
M.Pharm /M.Tech	2 year	GPAT/GATE	A candidate seeking admission to M.E./M.Tech. courses should be a Graduate in Engg/Technology with at least 50% marks, where as candidate seeking admission to M. Pharma. courses should be a Graduate in Pharmacy with at least 50% marks. Candidate belonging to SC/ST/OBC (excluding creamy layer) categories of Madhya Pradesh with at least 45% marks. Bachelors degree of minimum of four years duration after passing Higher Secondary 12th of (10+2) system or equivalent, should have been obtained from any AICTE approved institution or Indian University or from a foreign University recognized by Association of India Universities (AIU) or institute recognized by the AIU as equivalent thereto.
MBA	2 year	CMAT	A candidate seeking admission to MBA and Allied Courses should be a Graduate with at least 50% marks and 45% marks in case of SC, ST, OBC category of Madhya Pradesh in aggregate of any UGC/AICTE approved Indian University or from a foreign University recognized by Association of Indian Universities (AIU) institutes recognized by the concerned University as equivalent thereto. The Bachelor's degree must be of minimum three years duration after passing Higher Secondary (10+2) examination of (10+2) system or equivalent.
MCA	3 year	NA	A candidate seeking admission to MCA Courses should be a Graduate with at least 50% marks and 45% marks in case of SC, ST, OBC (excluding Creamy Layer) category of Madhya Pradesh in aggregate of any UGC/AICTE approved Indian University or from a foreign University recognized by Association of Indian Universities (AIU) institute recognized by the concerned University as equivalent thereto. The Bachelor's degree must be of minimum three years duration in any discipline with Mathematics as compulsory or an additional subject at Higher Secondary (10+2) level.
MCA (Lateral Entry)	2 year	NA	A candidate seeking admission to MCA Lateral Courses should be a Graduate with at least 50% marks and 45% marks in case of SC, ST, OBC (excluding Creamy Layer) category of Madhya Pradesh in aggregate of any UGC/AICTE approved Indian University or from a foreign University recognized by Association of Indian Universities (AIU) institute recognized by the concerned University as equivalent thereto. The Bachelor's degree must be of minimum three years duration in BCA/B.Sc. (CS, IT) with Mathematics as compulsory or an additional subject at Higher Secondary (10+2) level.

BCA	3 year	NA	Passed 10+2 in Maths subject with for all Categories
B.E./B.Pharm (Lateral Entry)	3 year	NA	For B.E. (Direct Second Year) Passed Diploma in Engineering or B.Sc. (Mathematics) with at least 50% for General Category and 45% for ST, SC and OBC Categories, For B.Pharm (Direct Second Year) Passed Diploma in Pharmacy with at least 50% for General Category and 45% for ST, SC and OBC Categories.
Diploma in Engineering (Polytechnic)	3 year	PPT	A Candidate seeking admission to polytechnic course should be passed in 10th with Science and Mathematics for all categories Gen., SC, ST and OBC.
B.A./B.Com/BSW BBA/B.Sc. (FD.)	3 year	NA	Passed 10+2 in any subject for All categories.
B.Sc. (Ag)	4 year	NA	Passed 10+2 in PCM/PCB/AG for All categories.
M.A./M.Com M.Sc/MSW	2 year	NA	Passed Graduation in relevant stream.
B.Ed.	2 Year	Entrance Exam	Candidates with at least 50% marks either in Bachelor degree and / or in Master degree . B.E. with specialization in Science and Maths with 55%.
BHMS*	5 year and 6 months including 1 year internship	NEET	Passed 10+2 examination with Physics, Chemistry and Biology subject Obtained at least 50% (40% in case of candidate belonging to reserved category) marks in the above subjects taken together.
DCA	1 year	NA	Passed 10+2 in any subject for General, ST, SC and OBC Categories
Diploma (Fashion Design)	1 year	NA	Passed 10+2 in any subject for All categories
PGDCA	1 year	NA	Passed Graduation in Any Subject with 45% for General and 40% ST, SC and OBC Categories

Required Documents At The Time Of Admission

- Mark sheets (X/XII/Graduation)
- Category, Domiciles, Income Certificates
- Transfer, Character Certificate (Original)
- Migration Certificate (Original)
- Aadhar Card (Photocopy)
- Passport size photographs - 4
